Dear Mom & Dad,

We certainly enjoyed our trip to Florida and the week went by very quickly. It's a little difficult to go back to work but now we have made it through a week. I have been quite busy preparing my talk for a planned trip to Turkey in the middle of June. Vickie doesn't have much to do at work but enjoyed showing off her Florida tan at the office. We have been playing tennis and Sunday there is an all-day tournament here at Watergate. The weather has been sunny and mild but not quite hot enough to turn on the air conditioner.

Next Saturday we will drive up to Princeton and stay with the Sturbais' until Monday which is Memorial Day. They have two children now so we hope the

weather will permit us to be outside at lot. Our outdoor pool opens that weekend so we are thinking of taking the day after the holiday off and spending it by the pool and on the tennis court.

We are thinking of flying out to Oregon on July 21 and meeting you there for the weekend. We can drive back to Bellevue on Sunday and spend a full week with our return home on Aug 1. The weather should be nice and we are looking forward to a drive and to the cabin.

I do have the pictures you sent from our trip last fall and will either send them or bring them back this summer. I took a number of pictures in Florida and want to start taking more as we enjoy seeing the slides.

We are anxious to see you in a couple of months. Love,  
Jim & Vickie
